How to answer

In each round, we will give each team 16 placards with all the words.

To submit an answer, you'll need to group 4 of them and hand them to your assigned convener, who will tell you if you're correct, one-away or completely off!

Scoring System (part 1)

Each wrong attempt is leads to a **deduction of 10 points.**

You get points for each category you solve (more points for a harder category).

If you are the first team to solve a category, you get double.

Scoring System (part 2)

Yellow - 20

Green - 30

Blue - 40

Purple - 50

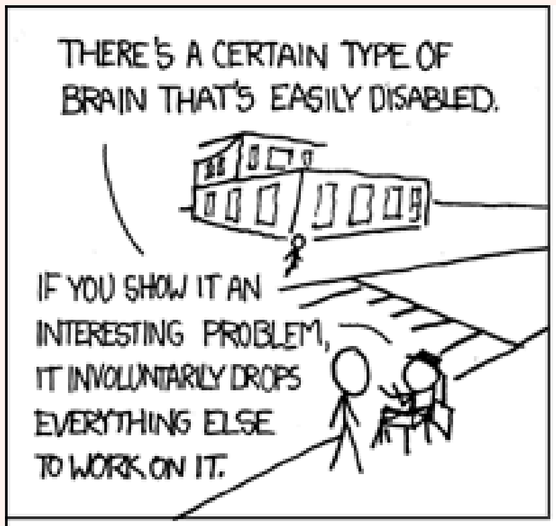

Full Solve - 30 (bonus)
